8. How to find us

Novi Sad is the capital of Vojvodina, the northern region of Serbia. Situated on the Danube River between Budapest and Belgrade, it is a treasured regional and cultural centre.

- **Orientation:** Novi Sad is located about 80km to the northwest of Belgrade,
- **By car** there is a direct highway between Belgrade and Novi Sad.
- **From Belgrade Airport:** there is no easy bus connection. Some companies run regular cars between Belgrade Airport and Novi Sad,
- **Walk**, the city centre is actually quite small and most of the interesting sights, bars and hotels are all within easy walking distance.
- **Public transport service.** Novi Sad has an excellent bus service. In town bus fares are around 40 RSD
- **Taxis** are not overly expensive (by Western standards. Some good taxi companies: Pan, Vojvođani, SOS, Delta, Novus, Naš, Lav.
- 1 € = 95 rsd
